THE COLLECTIONS

Our diverse range of products offers versatile design solutions for any bathroom using high gloss acrylics, refined textures or sleek laminates.

Laminate Product

14

MARBLE COLLECTION

Our range of rich marbles are the perfect choice for a blend of tradition, sophistication and charm. Striking veins with subtle background tones bring warmth and beauty allowing you to create walls with purpose.

24

QUARRY COLLECTION

Bring a room to life with raw earthy tones and rustic designs from this collection of authentic decors. We've created a range with tactile finish characteristics which are perfect for complementing neutral colour schemes or creating striking walls.

34

MINERAL COLLECTION

From subtle shimmers to flickering quartz; this versatile collection suits both modern and traditional spaces. These stylish designs blend confidence with refinement to ensure that you have the right decor for your feature.

44

Acrylic Product

ACRYLIC COLLECTION

Our Acrylic range maximises colour with a sleek, polished glass-like finish. Utilise solid colours or bold prints to make a statement, or go for something more traditional with a tile or pattern bringing trends of the past right up to date.

The Acrylic customise service is a bespoke design solution, giving you the control to create any solid colour panel you like to match an existing theme in your home, or combine with one of our existing designs - you can even supply your own image.

Solid | Patterns & Tiles | Prints & Images

90

Compact Product

COMPACT COLLECTION

Our compact range gives the look and feel of real tiles without the hassle of grout. The solid laminate panels are available in a range of contemporary colours, which are quick and easy to fit and even easier to keep clean.

Environmental Story

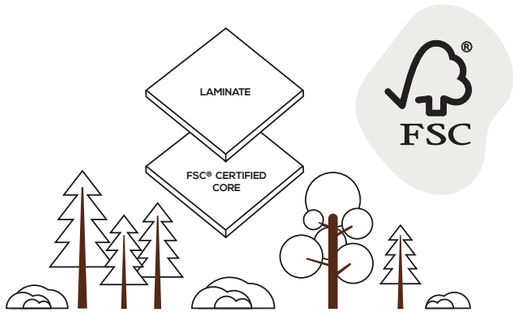
We're serious about our impact on the planet. Thats why we're making changes to leave as little mark as possible.

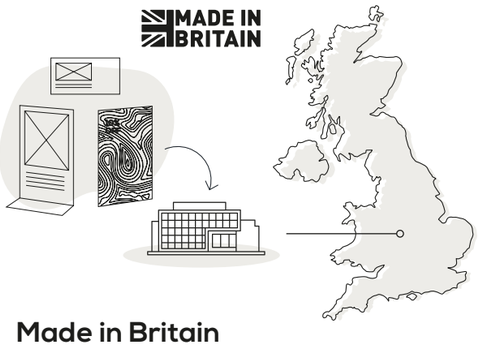
From recycled materials to biomass recycling, here are a few things we've already implemented across the business.....**and we're not finished yet.**

Sustainable panels

All Showerwall Laminate panels are manufactured using an FSC® certified core, guaranteeing that the timber used is harvested from responsibly managed forests.

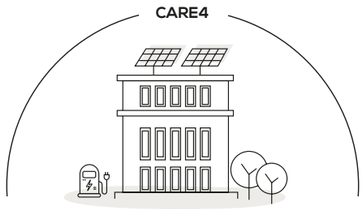
By purchasing a product with such certification, you are supporting sustainable forest management across the world.





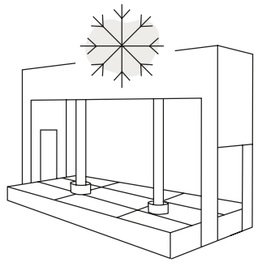
Made in Britain

As all Showerwall panels and accompanying marketing materials are manufactured in the UK, the delivery to our customer will use less fuel, compared to products made around the world, helping to reduce our carbon footprint and impact on the environment.



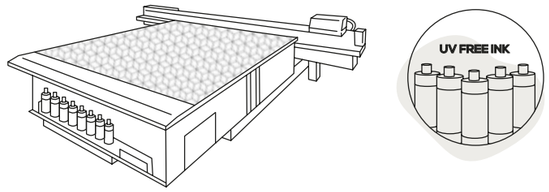
Eco-friendly head office

The Showerwall Head Office & Factory site is a Care4 building, including solar panels, LED & passive lighting, electric charging points and also uses green energy.



Cold bonding press

We use a cold bonding press when manufacturing our panels - bonding our laminate to our core board uses less energy than a traditional hot press.



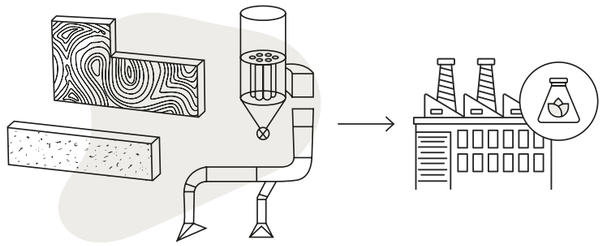
UV ink free acrylic printers

Our acrylic printer no longer uses UV ink which previously required the use of ventilation and safety equipment. This is better for the environment and our staff as it is no longer releases odours and airborne chemicals into the atmosphere.

Biomass recycling

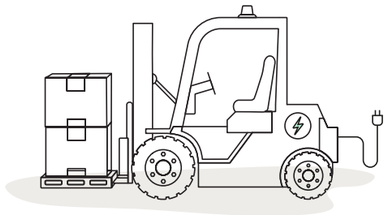
Off cuts from 900mm panels are separated and sent to a Biomass recycling station.

Waste from our factory dust extraction system is also sent to Biomass.



Recycle & reuse

We recycle and refill the storage containers our bonding glue is kept in. Our acrylic printer also uses HP for all ink cartridges, for which we have a collect and recycle system in place.



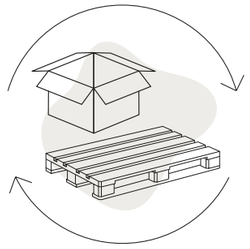
Electric forklifts

All forklifts used at the Showerwall factory are electric.

Recycled packaging

The cardboard we use for packaging is recycled and fully recyclable. Any excess cardboard or polythene used at the factory is sent for baling to support the separation of waste stream.

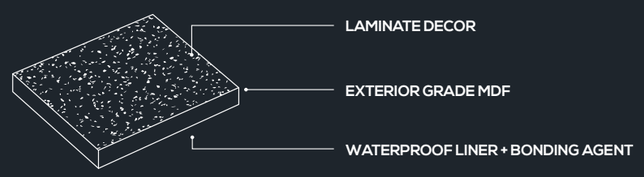
We also recycle the pallets used for shipping laminate and use them to redistribute our finished panels direct to our customers.



OUR LAMINATE PRODUCT

Create stunning statement walls

Laminate is inspired by stunning natural materials, perfect for creating characterful statement walls. Our Laminate product has a range of finishes to bring each individual decor to life, offering realistic textures and classic glossy finishes; bringing style to any bathroom.



FINISHES

Our decors come in a range of different finishes; from gloss to authentic textures. For easy distinction, the finish of our decors is marked throughout the brochure with the following icons:

Gloss
A high shine finish creating a smooth, brilliant appearance

Texture
A structured surface that emulates the feel of organic materials

Matt
A soft to touch flat surface with low light reflectivity

Synchro
A unique textured finish that follows the form of real material

A WATERPROOF PANELLING SYSTEM

The product at a glance.

- COST-EFFECTIVE
- NO GROUT REQUIRED
- FAST AND EASY INSTALLATION
- 100% WATERPROOF SYSTEM
- FIT DIRECTLY OVER TILES
- SEAMLESS FEATURE WALLS
- HYGIENIC AND EASY TO CLEAN
- 30 YEAR GUARANTEE

SAMPLES

Whilst images and swatches give a good indication of a decor, nothing compares to seeing how the real thing will work in your space.

Order your sample online at **www.showerwall.co.uk** or email **samples@showerwall.co.uk.**

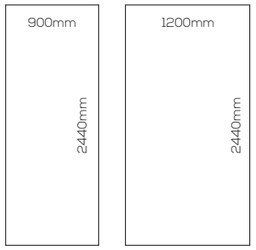
See our collections online using the Showerwall visualiser at **showerwall.co.uk/visualiser.**

MADE IN BRITAIN

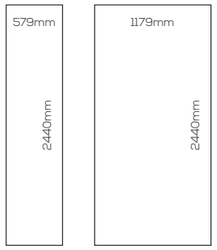
BRITISH INSTITUTE OF KBB INSTALLATION SPONSOR

INTRODUCING OUR LAMINATE COLLECTIONS

Square Cut Panels



Proclick Panels



All Laminate panels are 10.5mm in thickness.

PATTERN MATCH

As each decor is designed to replicate organic materials it is often not possible to achieve a repeat pattern between two panels, particularly for decors replicating marble or stone.

SAMPLES

Whilst images and swatches give a good indication of a decor, nothing compares to seeing how the real thing will work in your space. Order your sample online at **www.showerwall.co.uk** or email **samples@showerwall.co.uk.**

DISCLAIMER

Due to variations in the photographic and printing processes the colours shown may vary compared to the actual product. Natural stone decors by design will vary to replicate natural stone variances. Decors such as Luna and Cracked Grey may have shade variance between individual panels. This is normal for these particular decors and not grounds for complaint. All panels, irrelevant of decor type, must be inspected carefully before installation. Any concerns raised must be clarified prior to installation. It is recommended that actual product samples and retailer displays are viewed prior to purchase. We reserve the right to amend the specification of the products shown without prior notice. E&OE.

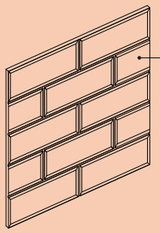
OUR COMPACT PRODUCT

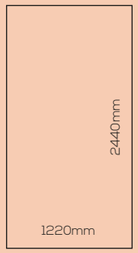
The look and feel of real tiles, without the grout

Compact Panels are made from a strong solid composite material, embossed to create a tile effect wall without the need for grout. These 3mm solid laminate panels are easy to fit through a waterproof system, reducing the fitting time compared with traditional tile products - and they are even easier to keep clean.



Compact Panels

Compact panels measure **2440mm** in height, and are are or **1220mm** wide.



All Compact panels are 3mm in thickness.

FINISHES

Our Compact decors are marked throughout the brochure with the following icon:

Gloss

INTRODUCING COMPACT

The product at a glance

- **100% WATERPROOF SYSTEM**
- **HYGIENIC AND EASY TO CLEAN**
- **FAST AND EASY INSTALLATION**
- **NO GROUT REQUIRED**
- **FIT DIRECTLY OVER TILES**
- **30 YEAR GUARANTEE**

SAMPLES

Whilst images and swatches give a good indication of a decor, nothing compares to seeing how the real thing will work in your space.

Order your sample online at **www.showerwall.co.uk** or email **samples@showerwall.co.uk.**

The Showerwall System

NEXT STEPS | LAMINATE

Three steps to create your waterproof Showerwall system with our Laminate product.

1 Decor

Select a decor from our extensive range.

2 Panel Details

Select the size, edge finish and number of panels required.

3 Waterproof System

Select the coordinating trims, Sureseal and accessories required.

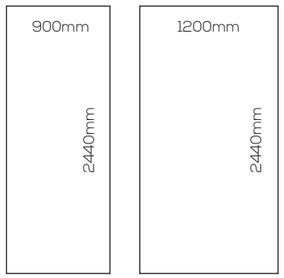
1 | DECOR

Select your decor from our 3 collections; *Marble | Quarry | Mineral*

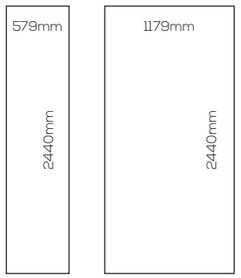
2 | PANEL DETAILS

All decors from the Marble, Quarry and Mineral collections are manufactured from a moisture resistant exterior grade MDF core and finished with a high pressure laminate (Laminate), creating 10.5mm thick panels. These panels are available in 3 widths: **600mm**, **900mm** or **1200mm**; and are **2440mm** in height. Choose from square cut panels or take advantage of our Proclick technology which achieves seamless joints without the need for joining trims.

Square Cut Panels

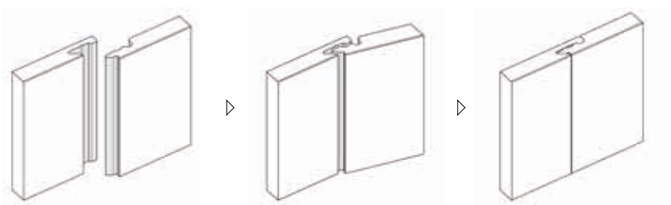


Proclick Panels



All Laminate panels are 10.5mm in thickness.

Proclick technology has been engineered to create a mechanical locking system that provides seamless, almost invisible joints. Installation is made easy through the click design which allows panels to be located quickly and easily into place, eliminating the use of joining trims.



Note: All panels are available with a plywood core on request, made to order. A minimum order quantity of 5 panels applies.

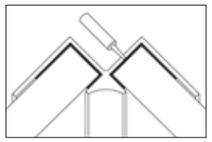
3 | WATERPROOF SYSTEM

Our system comes with two key components which ensure a watertight seal for our Laminate product; available in a range of colours to suit every decor. Easy to install and maintain.

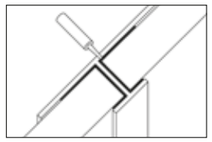
TRIMS

In order to ensure a watertight finish, trims are required for the outer edges of the panels as well as both internal and external corners.

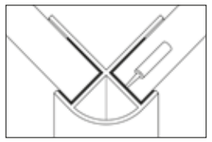
Five trims are available dependant on where you would like to fit our panels. Note: all trims measure 2450mm in length and should be sealed using Showerwall sealant.



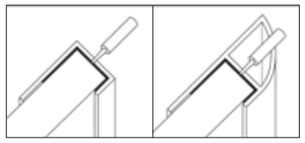
Internal corner
Used on all internal 90° corners.



Joining trim
Used to mount panels side by side.



External corner
Used on all external 90° corners.



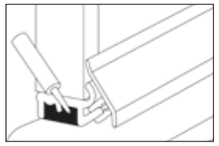
Finishing end trims and Quadrant trims
Finishing end trims for panels.

Five available trim colours;

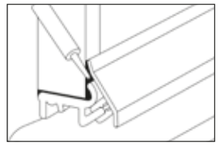
*Quadrant trims are not available in this colour

SURESEAL

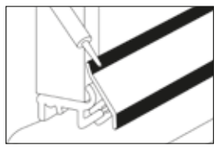
At the base of the Showerwall Laminate panel even greater sealing performance is achieved using Sureseal. Fit and forget using the only maintenance free shower seal on the market with no future resealing required. Sureseal's four point sealing system is quick and easy to install leaving the entire base of the panel encapsulated in sealant without any unsightly lines. Sureseal measures 2450mm long.



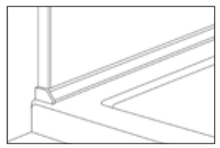
Seal one
Sealant between seal & tray.



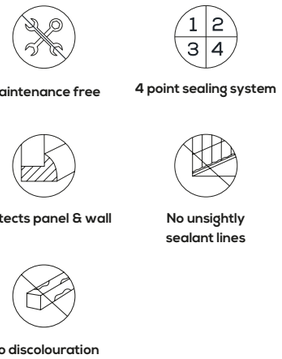
Seal two
Panel encapsulated in sealant.



Seals three and four
Top & bottom seal.



Sureseal in situ
A watertight professional finish.



Sureseal front capping is available in three colours:

SEALANT & ADHESIVE

We recommend that Showerwall's own brand of adhesive and sealants are used for the effective fitting of Laminate to wall and sealing between respectively. Our Showerwall guarantee only applies if the correct products are used when fitting Showerwall panels.

SHOWERWALL KIT

A simple kit including everything you need to create a **two-sided shower enclosure** for your laminate panels.

All of our accessories are available to purchase separately; however if your space is a corner enclosure, take advantage of this kit which has everything you need in one handy pack.

Please note: This kit does not include the shower panels themselves and is only suitable for Laminate panels.

INCLUDED IN THE SHOWERWALL KIT

Our **two sided** kit includes all the trims, fixing and cleaning items you need for your Showerwall system.

TRIMS

1x Internal corner trim
2x End trim
1x Sureseal trim in white
2x Sureseal end caps in white
1x Sureseal profiler tool

FIXINGS

2x Silicone sealant in white (for Sureseal)
2x Silicone sealant for finishing
2x Adhesive
1x Mitre box to assist cutting

CLEANING

1x SuperClean cleaner
3x Surface cleaning tissues
1x Silicone remover

When ordering one of our kits, you can still select any of our trims or sealant colours for finishing as outlined on the previous page. Please refer to the table below when ordering your kit and include the code which corresponds to your choice of colours.

Trim Colour	Translucent Sealant Code	White Sealant Code
Satin Silver	KIT SSC	KIT SSW
White Gloss	KIT WGC	KIT WGW
Bright Silver	KIT BSC	KIT BSW
Black Silk	KIT BLC	KIT BLW

Decor: Stone Terrazzo

NEXT STEPS | ACRYLIC

Three steps to create your waterproof glass-like wall with our Acrylic product.

1 Decor
Select a decor from our extensive range.

2 Panel Details
Select the size and number of panels required.

3 Sealant
Coordinate the sealant with your choice of panel.

1 | DECOR

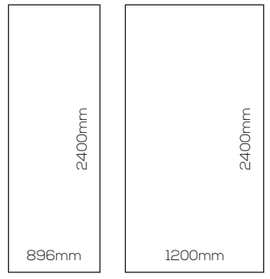
Select or create your wall from our collection.

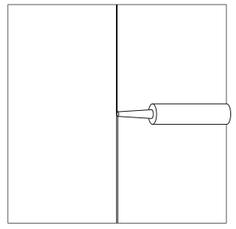
2 | PANEL DETAILS

All decors from the Acrylic Collection are manufactured from a 4mm thick acrylic sheet that is rear printed to create a polished glass-like finish. This material is 100% waterproof and therefore it does not require any trims; panels are simply joined together using sealant.

Panel Sizes

Acrylic Collection panels measure **2400mm** in height, and are available in either **896mm** or **1200mm** widths.





Panels are simply joined together with sealant

All Acrylic panels are 4mm in thickness.

3 | SEALANT

Select your colour sealant from the choices below.

White | Azure | Opal | Sky | Grey | Blush | Sage | Prussian Blue | Mushroom | Fern | Dark Teal | Black | Emerald Green | Navy

We recommend that Showerwall's own tried and tested brand of sealant is used for the effective fitting of the Acrylic product. Our Showerwall guarantee only applies if the correct products are used when fitting Showerwall panels. Translucent sealant should be used to adhere Acrylic panels to the wall, and colour matched sealant should be used for joins between panels.

Please ensure that you follow the complete instructions or alternatively watch our installation video, both of which can be downloaded from our website.

NEXT STEPS | COMPACT

Three steps to create your waterproof tile-like wall with our Compact product.

1 Decor
Select a decor.

2 Panel Details
Select the size and number of panels required.

3 Waterproof System
Select the coordinating trims required.

1 | DECOR

Select a decor from our collection.

2 | PANEL DETAILS

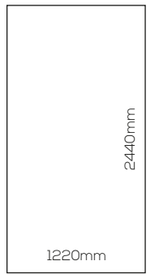
COMPACT PANELS

Compact panels are manufactured from a solid 3mm thick laminate sheet with an embossed effect surface.

Compact collection panels measure **2440mm** in height, and are **1220mm** wide.

All Compact panels are **3mm** in thickness.

Panel Size



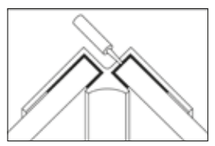
3 | WATERPROOF SYSTEM

Our Compact product comes with a system of trims which ensure a watertight seal; available in a range of colours. Easy to install and maintain.

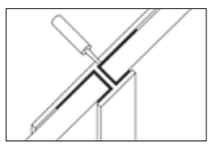
TRIMS

In order to ensure a watertight finish, trims are required for the joins and outer edges of the panels, as well as both internal and external corners.

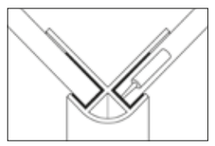
Four trims are available dependant on where you would like to fit our panels. Note: all trims measure **2450mm** in length and should be sealed using Showerwall sealant.



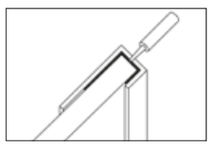
Internal corner
Used on all internal 90° corners.



Joining trim
Used to mount panels side by side.



External corner
Used on all external 90° corners.



Finishing end trim
Finishing end trim for panels.

Four available trim colours;

Chrome

SHOWERWALL COLLECTIONS

Laminate

MARBLE COLLECTION

Our range of rich marbles are the perfect choice for a blend of tradition, sophistication and charm. Striking veins with subtle background tones bring warmth and beauty allowing you to create walls with purpose.

QUARRY COLLECTION

Bring a room to life with raw earthy tones and rustic designs from this collection of authentic decors. We've created a range with tactile finish characteristics which are perfect for complementing neutral colour schemes or creating striking walls.

MINERAL COLLECTION

From subtle shimmers to flickering quartz; this versatile collection complements both modern and traditional spaces. These stylish designs blend confidence with refinement to ensure that you have the right decor for your feature.

Acrylic

ACRYLIC COLLECTION

Our Acrylic range maximises colour with a sleek, polished glass-like finish. Utilise solid colours or bold prints to make a statement, or go for something more traditional with a tile or pattern bringing trends of the past right up to date.

The Acrylic customise service is a bespoke design solution, giving you the control to create any solid colour panel you like to match an existing theme in your home, or combine with one of our existing designs - you can even supply your own image.

DECOR FINISHES

Showerwall panels come in one of five finishes;

Gloss
A high shine finish creating a smooth, brilliant appearance

Matt
A soft touch flat surface with low light reflectivity

Synchro
A unique textured finish that follows the form of real material

Texture
A structured surface that emulates the feel of organic materials

Acrylic
Achieve stunning gloss like walls with acrylic panels

INSTALLATION

Fitting our shower panels is easy and can be completed by anyone who is competent at DIY. Full installation instructions are provided with every panel and we highly recommend the Showerwall installation video accessible via YouTube and **www.showerwall.co.uk.**

Failure to comply with the Showerwall installation instructions, including the recommended use of Showerwall sealant and adhesive, will invalidate your guarantee.

SHOWERWALL FIND A FITTER

We've now launched our Find A Fitter programme on our website, through which you can find installers from across the UK who are ready and waiting for you to contact them.

Simply visit: **www.showerwall.co.uk/findafitter** and enter your postcode to begin your search.

CARE AND MAINTENANCE

Showerwall is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria, especially in the areas between tiles that are traditionally grouted. SuperClean anti-bacterial cleaner kills germs and keeps hard surfaces clean without scratching and is recommended for the optimum life and performance of the panel.

Abrasive cleaners and bleaches must not be used on Showerwall panelling. Sealant needs to be replaced at regular intervals. Failure to do this may cause water ingress and subsequent panel damage.

MADE IN BRITAIN

BRITISH INSTITUTE OF KBB INSTALLATION SPONSOR

A smart waterproof system combined with the character of organic materials; built to last and easy to install.

GUARANTEE

When installed correctly using the recommended fitting guide and accessories, Showerwall is guaranteed to be free from defects for 30 years, from the date of purchase. A copy of the Showerwall guarantees are available to download from **www.showerwall.co.uk**.

Note your Showerwall panels carry a 30 year guarantee that is limited to domestic use against manufacturing defects, only when registered using the owner registration document contained within the product packaging. If the purchase of your panels is not registered within 28 days of the installation being completed then the guarantee is reduced to a 15 year term.

WATERPROOF PANELLING SYSTEM

Any reference to Showerwall waterproof panelling system refers to all elements of the Showerwall system being fitted together. Showerwall Laminate panels must be fitted in accordance with the fitting instructions and **must** use Showerwall trims, sealant and adhesives to ensure the system is both waterproof and guaranteed.

EUROPEAN STANDARD FIRE RATED

All Showerwall Laminate panels are classified EN 13501. In addition, selected decors are British Standard Fire Rated Class 2-BS 476 : Part 7 : 1997

ENVIRONMENTAL RESPONSIBILITY

All Showerwall Laminate panels are manufactured using an FSC® certified exterior grade MDF core, guaranteeing that the timber used is harvested from responsibly managed forests. By purchasing a product with such certification, you are supporting sustainable forest management worldwide.

We are fully committed to going beyond existing regulations, to minimise any impact on our environment, protect people's health and safety, and make labour relations and social issues an integral part of everything we do. For more information about the changes we have made go to pages 6 & 7.
